EIN Facts

- EIN services 21 states across the country.
- There are NO CONTRACTS and NO CREDIT CHECKS for any of our plans.
- All EIN plans are 100% UNLIMITED – no data caps or throttling.
- EIN is a hardwired service and all installations are completed by a professional technician.
- EIN contracts with technicians from major providers to complete our installations.
- EIN is an advance pay service – so customers always pay for the month ahead.
- Our prices are flat rate – all taxes and fees included! So, a \$55 per month plan exactly \$55!
- All EIN plans require a one-time Installation and Activation charge based on the plan.
- Every EIN plan includes a FREE WIFI MODEM that the customer owns, not rents like other ISP’s.
- EIN plans have a LIFELOCK GUARANTEE – as long as the customer keeps their account current their monthly price will never increase for the lifetime of their service.
- EIN has a 98% success rate in meeting the customers Preferred Installation Date & Time.
- Someone 18 or older must meet and stay with the technician for the installation.
